District Technology & Telecommunications Service Providers

Dear Sir:

Our school district hereby appoints New Hope Technology Foundation, One Valentine Lane, Chapel Hill, NC 27516 as our agent to submit all e-Rate forms and to certify the accuracy of the information contained therein for this e-Rate filing year. This appointment includes all eligible e-Rate services including Telecommunications, Internet Access, and Internal Connections Services and will continue for subsequent e-Rate filing years until we notify you in writing to the contrary.

This will also authorize you to disclose information to New Hope and its employees regarding prior year filings if requested. New Hope may represent our school district in audits and reviews of prior year's applications.

This will also authorize you, if you are a service provider to the District, to disclose information to New Hope and its employees regarding our services and billings.

We will advise you in writing if and when we rescind this authority. This authorization does not preclude us or anyone else we may designate from acting in our own behalf. Thank you for your cooperation in this matter and please call us if there are any questions.

Sincerely,

David W. Clifton
Assistant Superintendent

DWC/tcd
